

Pishgaman Fanandish Tehran Co.

July 2024

Pishgaman Fanandish Co.

Fundamental philosophy:

Helping Industries in their **development and maintenance** work by offering the best Technical Services.

About Us:

Starting its business in 1994, Pishgaman Fanandish Co. is one of the pioneers in the field of development of industrial plants. Activities include **Engineering, Procurement, Manufacturing, Erection, Operation, Repair and maintenance**. Various industries include **Oil, Gas and Petrochemical plants, Power plants, Transportation, Steel, Agriculture, Automotive industries, Mega buildings, Renewable energy and Internet of things (IOT)**.

Mission:

To improve corporate credits through the creation and development of sustainable values for customers, employees and shareholders by providing technical and engineering services for industry owners.

Strategies:

- Developing technical and expert knowledge.
- Proposing competitive prices.
- Extending the partnership network.
- Establishing the commitment culture and organizing management teams.

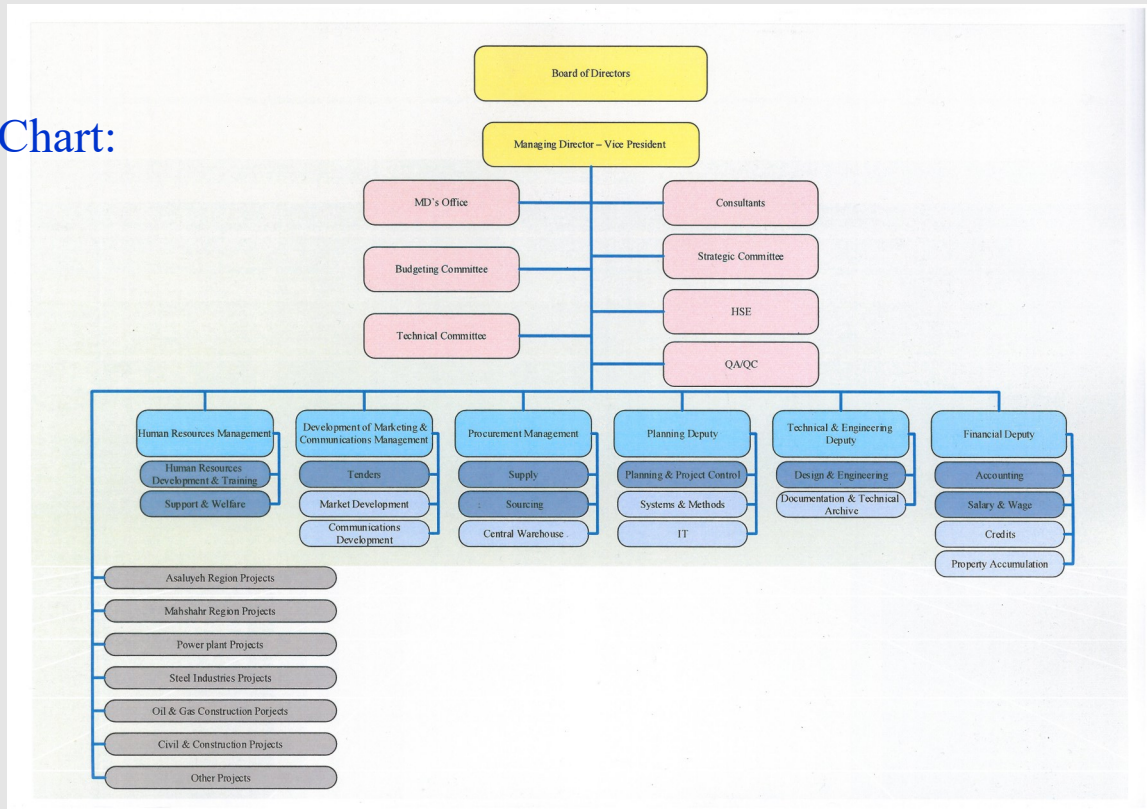

Board of Directors:

- Dr. H. Esmaili Moghaddam, Chairman
- Mr. M.H. Mostakhdemin Hosseini, Vice president and member of the board
- Mr. A. Shabani, Managing Director
- Mr. M.A. Mousavi, Member of the board

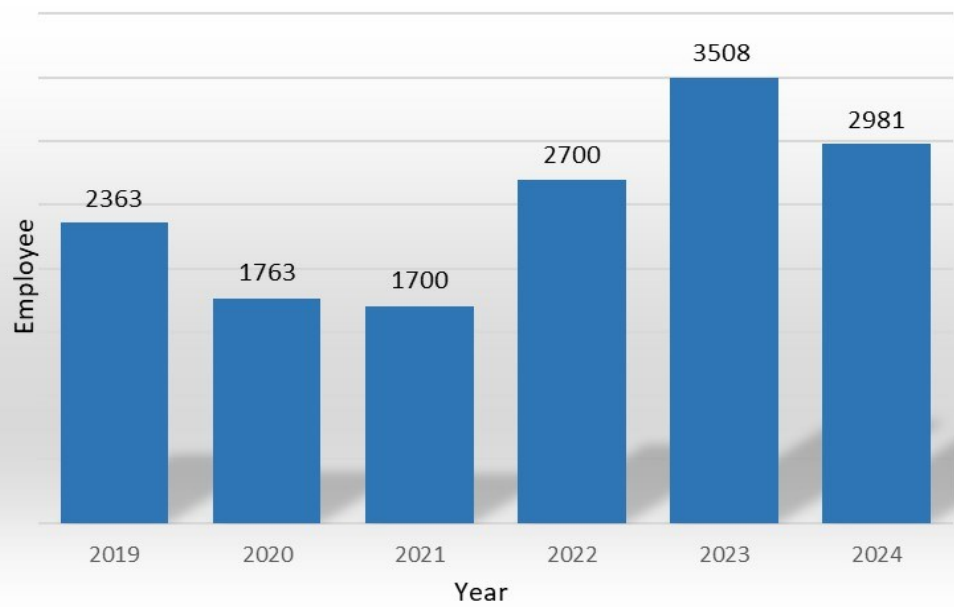

Shareholders:

Pishgaman Fanandish Co. is a private company. The board members hold the majority of shares and the rest of shares belong to the company employees.

Human Capital:

Areas of Expertise:

THE OPERATION, MAINTENANCE AND REPAIR OF HYDROELECTRIC POWER PLANTS CERTIFICATE

This certificate, issued by Ministry of Energy of Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has necessary permissions and qualifications for operation maintenance and repair of hydroelectric power plants related to Grade #1 and also undertaking three simultaneous projects regarding to this certificate.

SERVICE COMPANIES ACCREDITATION CERTIFICATE

This certificate, issued by Ministry of Cooperatives, Labor, and Social Welfare of the Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has the accredited qualification in the following fields:

- Repair and Maintenance of office equipment
- Kitchen and Restaurant Affairs
- Public services and security
- Green space maintenance

TECHNICAL AND ENGINEERING LICENSE FROM MINISTRY OF INDUSTRY, MINE AND TRADE OF IRAN

This certificate, issued by Ministry of Industry, Mine & Trade of the Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has the accredited qualification in the following fields: Electricity, Electronics, Control and Automation, Machinery and Equipment for Oil, Gas and Petrochemical Industries.

SAFEY ACCREDITATION CERTIFICATE FOR CONSULTANTS

This certificate, issued by Ministry of Cooperatives, Labor, and Social Welfare of the Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has the accredited qualification in safety.

THE OPERATION AND MAINTENANCE OF GAS POWER PLANTS CERTIFICATE

This certificate, issued by Ministry of Energy of Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has required permissions and qualifications for operation and maintenance of Gas Power Plants

THE OPERATION AND MAINTENANCE OF POWER PLANTS CERTIFICATE

This certificate, issued by Ministry of Energy of Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has required permissions and qualifications for operation and maintenance of Power Plants in the fields of gas

Industry	EPC projects
Oil, Gas & Petrochemical	<ul style="list-style-type: none"> - Malayer oil depot - Bana Gostar Karane 4 oil storage tanks (24,000 m3) - Construction of civil and piping in Rey oil depot - Construction of 3 inch line from the aromatic unit to Olefin unit in Faravaresh petrochemical co. - Construction of fuel oil heating infrastructure in Shahid Nourbakhsh oil depot in Mahshahr - Development of substation ethane recovery plant for propane compressors of Maroon petrochemical co.
Automotive	- P&F system for car production line for FIAT (TOP co. in Saveh)
Solar Power Plant (Renewable Energy)	- Construction of solar power plant for regional water company of Lorestan
Power Plant	<ul style="list-style-type: none"> - Loshan power plant fuel storage tank (30,000 m3) - Bandar Abbas power plant mazut storage tanks (2*30,000 m3)
Steel	<ul style="list-style-type: none"> - Esfahan steel company mold repair workshop - Design, installation & commissioning of cooling towers in Esfahan steel co. - Design & construction of metal structure for sulfur transferring facilities of Rah-e Sahel institute Khatam-al Anbiya
Water	- Gachsaran water storages tanks
Agriculture	<ul style="list-style-type: none"> - AmirKabir cattle feed plant in Khuzestan (sugar cane & by-products development co.) (MC) - Construction of cattle feed transforming line from fruits & vegetables - Shoeibieh cattle feed plant in Khuzestan
Civil	- Construction of Sabzeh Meydan of Zanjan
Industrial	- Construction of Choram hydrated lime producing plant with 30,000 ton/year capacity (IMPASCO)

Industry	Construction, Erection & Commissioning Project
Oil, Gas & Petrochemical	<ul style="list-style-type: none"> - Fabrication of industrial structures & equipment, sulfur handling system for south pars Gas filed development in Asaluyeh Rah-Sahel institute - Piping work (120000 Inch Dia), Asaluyeh refinery south pars complex (phase 22 to 24) (Darya-Sahel institute) - Construction of Birjand oil depot in NIOPDC - Construction of piping in Faravaresh petrochemical co. - Construction, installation & commissioning of 2 ATK fuel tank of Kish airport - Construction of oil depot Bandar Abbass - Banagostar Karaneh - Installation of high risk devices in olefin unit of Faravaresh petrochemical co. - Retube of radiation unit & replacement of the cyclone of olefin units' furnaces Amirkabir petrochemical co. - Installation of 4 water tanks in Gachsaran NISOC - Provision & execution of civil, architectural & landscaping works of EVA projects (remaining works) for Laleh petrochemical co. - Procurement, construction & installation of two SLOPS tanks - Gathering, construction & reinstallation of TK-901 tank
Automotive	<ul style="list-style-type: none"> - Several projects in Iran Khodro industrial group - Equipment for L84 & L90 projects - Parskhodro - Construction & erection of EMS steel structure, slat conveyors & carrier 6 attachment projects Kashan SEECO (SAIPA) - Installation of car manufacturing equipment in Kashan - SEECO (SAIPA)
Power Plant Construction & Facilities	<ul style="list-style-type: none"> - Marun hydro power plant - Installation of Pars industrial carbon black production plant in Saveh - Construction, erection & commissioning of equipment & sidelong facilities for feeding limestone fines of new limestone building - Esfahan steel co. - Managing contract of technical & executive structural operation (civil, mechanical & electrical) for Raaheaseman cancer center (MC)
Steel	<ul style="list-style-type: none"> - Agglomeration plant (Sinter plant) in Esfahan steel co. - Erection & commissioning of 30 cranes, double side trimming & slitting shears in Khozestan Oxin steel co. plant. - Iron core & coke transferring system - Esfahan steel co. - Construction & erection of mechanical equipment for 5 sugar plants (Debel, Mirzakoochakkhan, Salman, Farabi & Dehkoda) in Khuzestan-sugar cane & by-products development co. - Installation & operation of mechanical piping & civil works in Esfarayen industrial complex (CCM, WTP) - Design, supply, construction, installation & assembly of cooling towers in Esfahan steel co. - Construction of some building in Mobarakeh steel co.
Agriculture	<ul style="list-style-type: none"> - Construction, installation sand blasting & painting of fuel & molasses storage tanks & sand filters of sugar cane by product development co. - Industrial slaughterhouse in Shahrekord, Eghlid, Ilam, Khorein & Yasouj

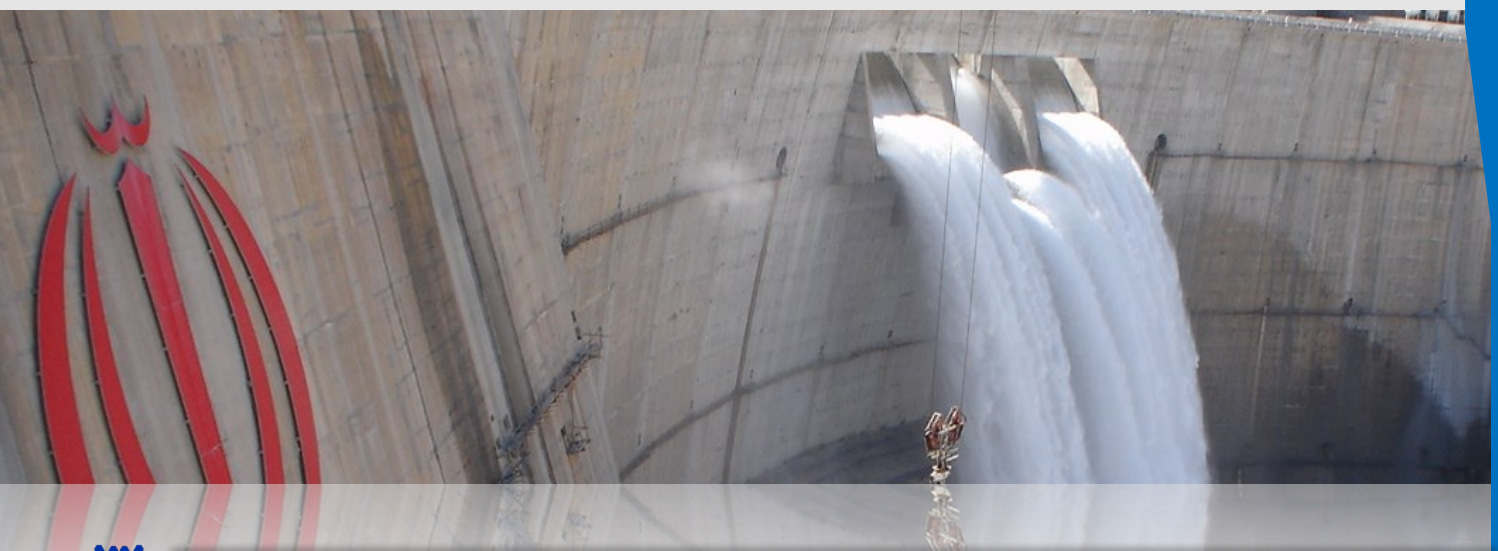

Industry	Operation, Maintenance & Repair projects
Oil, Gas & Petrochemical	<ul style="list-style-type: none"> - Mechanical equipment in Tondguyan petrochemical co. in Khuzestan - Maintenance & repair of civil, electrical & mechanical equipment in Boalisina & Arvand petrochemical co. - Maintenance & repair of Ammonia urea unit & offsite in Razi petrochemical co. - Maintenance & repair of civil, electrical & mechanical instrument and services equipment in Tehran oil refining co. & Bandar Abbas - Esfahan refinery, maintenance & repair of equipment, fire fighting & operation services - Maintenance & repair of mechanical & electrical & services in south Asaluyeh - Operation, maintenance & repair of mechanical, electrical & communication utilities & systems of RIPI (Research institute of petroleum of Iran) - Maintenance & repair of civil, electrical, mechanical equipment in Kermanshah & Khark petrochemical co. - Maintenance & repair of equipment in Khark oil field - Maintenance & repair of electrical & mechanical equipment in Tehran oil refinery co. - Maintenance & repair of all Faravaresh equipment in (BIPC) Bandar Imam petrochemical co. - Maintenance & repair services of entire unit and NGL pipeline of Hoveyzeh for Persian gulf petrochemical co. - Services for operation, producing, maintenance & repair of south Azadegan oil field for Arvandan oil & gas co. - Operation, maintenance & repair services of west Karun oil pumping station and auxiliaries for Arvandan Oil & Gas Company - Technical services, repair & overhaul - Parsian gas refining co. - Maintenance & repair services of entire site of Lordegan urea chemical fertilizer co.
Automotive	<ul style="list-style-type: none"> - Projects in SAIPA, Iran Khodro industrial group (in assembly shop – body shop & paint shop 1, 2, 3 - body shop 2,3,4,5 - press shop)

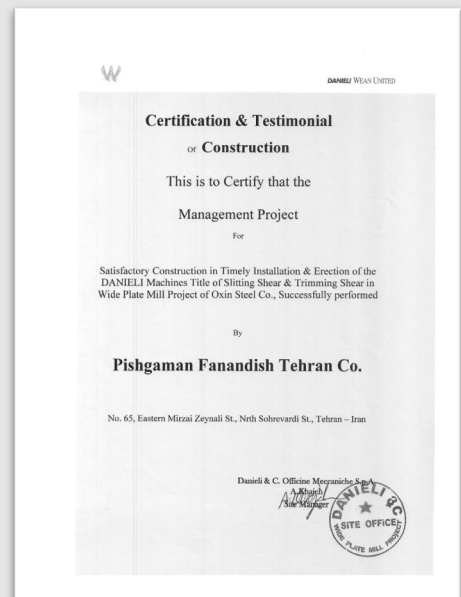

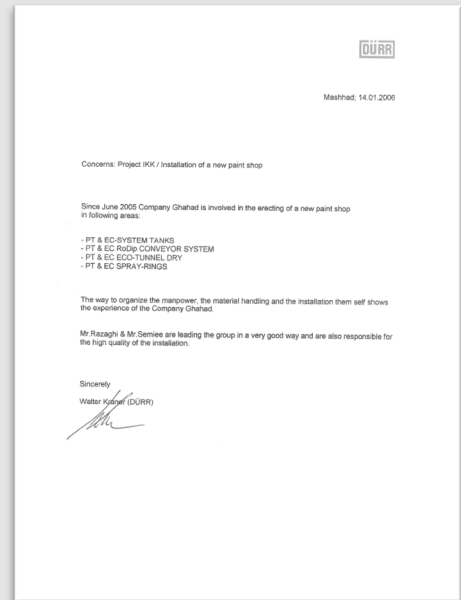

Industry	Operation, Maintenance & Repair projects
Power Plant	<ul style="list-style-type: none"> - Power generation management of Karun 3 dam & power plant - Khuzestan, Izeh - Operation of Karun 4 dam & power plant - Khuzestan, Izeh - Operation, maintenance & repair of Shahid Rajai and Lavarak dams, power plants, Monj power plant (5MW) (Karun 4) & the network of Lordegan to Karun 4 (20 KW) - The Lar Dam, maintenance, repair & operational services - Operation, maintenance & repair of Siah Bishe pumped strong power plant - Maintenance & repair of power plant equipment in Kohrang & Tarik power plants - Maintenance & repair of the central engine room in Iran power plant repairs co. (EM, PM) - Operation, maintenance & repair of 50 MW power plant in Nowshahr
Construction & Facilities	<ul style="list-style-type: none"> - Operation, maintenance & repair of the Tehran Milad tower - Central Bank of the Islamic republic of Iran ,operation, maintenance & repair of buildings & utilities. - Maintenance & repair of the installations and buildings of the cultural houses of the north & west of Tehran - Maintenance & repair of the installation & buildings of Jihad engineering research institute - Maintenance & repair of electrical & mechanical facilities of buildings of Maskan bank - Maintenance of mechanical, electrical installations, protection of gas pipeline, network & telephone line operator of Iran university of science & technology - Maintenance & repairs of electrical and mechanical facilities of Iran Mall - Maintenance & repair of the buildings & mechanical & electrical utilities of Saderat Bank, IDB & Azadi Parsian Hotel. - Maintenance & repair of building & civil works in Imam Khomeini port complex - Maintenance & repair all of building & civil works in national Iranian oil co.
